“Terrific Transformation- UNLOCKED - For the Happiest Days Ahead”  
Romans 8:18-25

- I. Happiest Days Ahead- But Expect the Horrendous Now. (v.18-22)
  - Because of man’s sinful fall, all nature has struggled.
  - Because of the fall, human diseases are rampant and man’s sin is to blame.
  - Because of the fall, natural disasters seem constant and continual.
  - Because of the fall, God will someday create a new Heaven and a new Earth.
- II. Happiest Days Ahead- Engage the Hideous Now with Immeasurable Hope. (v.23-25)
  - We groan today because of the limitation of our bodies and the temptations of the flesh.
  - We experience full adoption and redemption when we embrace Christ as Savior.
  - The Holy Spirit inside us now as believers is a promise of a better spiritual future.
  - Our redemption reaches a glorious completion at the return of Christ.
- III. Happiest Days Ahead- Experience Hanging your Hope on Prospective Assurances. (v. 23-25)
  - Our future glory will shine forth from our resurrected bodies.
  - Our future glory will be more overwhelming than we can ever dream.
  - Our future glory will make us just like Jesus in all His splendor.
- IV. Happiest Days Ahead - Excitedly Hold on to Hope. (v.23-25)
  - Because your joy is deeper with hope than through sight!
  - Because persevering in hope places you SO close to God.
  - Because the more you hope in God, the more you depend and delight.
