“Clear The Site - Be Desperate to Receive Grace.”
Luke 22:54-62; John 21:15-18; Acts 2:23-24

I. Receive Grace- It Is The Foundation Your Contractor Pours.

- HE takes your place for every specific sin.
- HE soaks in the hatred and fights for your soul.
- HE suffers excruciating pain so we can live eternally with HIM.
- HE satisfies the wrath of God and separation from HIM is ended.

II. Receive Grace - It Is The Structural Supports Your Contractor Installs.

- You are ransomed because the penalty is gone.
- You are released because you are under grace - Satan cannot harm you.
- You are restored because your past is no longer your enemy.

III. Receive Grace- It Is The Flooring that Enhances Your Every Step.

- You can be assured that JESUS remains in control.
- You can be assured you still have the promise of forgiveness. (22:32)
- You can be assured a new day still dawns. (Your Repentance Accepted.)
