“Meet the Great I AM - And Enjoy the Winning Side of Victory.”
John 8:48 -59

I. Enjoy This Victory Forever- Our Warrior King Triumphs Over Trash Talking Temptation. (v.48-50)

- Accusations and charges fail to trouble our King.
- Attempts to goad our King into a sudden display of anger fail every time. (Notice HIS stately Dignity).
- When the Opposition cannot refute the truth, they resort to character assassination. (As the King keeps focus).

II. Enjoy This Victory Forever- Our Warrior King Triumphs Over the Toothless Tomb. (v.51-55)

- By claiming to be the Lord over death, the King was clearly claiming to be Yahweh!
- By triumphing over the grave, FOLLOWERS never experience the terror, hurt, pain or suffering of death.
- Genuine believers NEVER see or taste death because Jesus came “by the Grace of God to taste death for every man”. (Heb.2:9)
- Death is separation; Death is NOT extinction.
- His disciples joyfully satisfy HIS one condition.

III. Enjoy This Victory Forever- Our Warrior King Triumphs Over Time and Eternity. (v.56-59)

- The Father glorifies His eternal Son and the Son’s supreme passion remains to glorify His Father.
- The Son, Abraham’s Messiah, exceeds all expectations; Then, now, and forever!
- The Son exhibits a clear demonstration of HIS Deity. (Totally inerrant and full of integrity).
